

CALL FOR CHAPTERS IN EDITED BOOK

(To be published by a Renowned Publishing House with ISBN)

“KNOWLEDGE, SOCIETY AND SUSTAINABILITY: MULTIDISCIPLINARY DIMENSIONS”

Sir/Madam,

We are inviting academicians, researchers, and scholars to submit original, unpublished, and quality research chapters to an edited book titled as "Knowledge, Society and Sustainability: Multidisciplinary Dimensions". The book attempts to synthesize social sciences, sciences, humanities and education to comprehend the contemporary societal issues, bodies of knowledge and sustainable futures. Multidisciplinary dimensions has become mandatory in an age where social change is fast, technology has leveraged and environmental issues are being practiced coupled with reforms in education. This book will foster academic discussion and deepen the understanding of society, science, culture, and education in both Indian and global contexts.

Submission Process:

- Full-length chapter (soft copy in Word and PDF formats) must be submitted.
- The submission must not be under consideration for publication elsewhere.

Chapters should be sent via email to:
kocgumlaresearch@gmail.com

Note: The copyright of this edited book shall remain with Kartik Oraon College, Gumla. The book will be published under the aegis and academic supervision of Kartik Oraon College, Gumla. The book is multidisciplinary nature and It unites the views of social sciences, humanities, science, education, and related fields, in particular with reference to India and comparative global contexts.

Submission Guidelines:

Chapter Length: 4000–6000 words, Abstract: 250–400 words

Authors should add a short bio-note at the end of the chapter in which they should provide name, designation, institution address, email address and contact number.

Submissions must be original and should not violate the copyright or any other rights of the third parties. "The paper or chapter must be free of plagiarism and ensure there are no conflicts of interest."
